Ronin Taijutsu is a Japanese fighting system that uses a wide range of striking methods and jujutsu techniques to overcome an aggressive attacker. This comprehensive fighting system is great for both children and adults looking to protect themselves.

We are proud to say that Ronin Taijutsu clubs have been running for over 30 years. We have started a new class in Bushey and will be offering **free training through September**.

Our fun and friendly junior classes (aged 5 to 12) cover the principles of evade, control and disable by using strikes, throws, grappling and martial arts games.

Greater focussed senior classes (aged 13 and up) cover more advanced self defence techniques appropriate for an adult audience.

All instructors are enhanced DBS checked and first aid trained with a minimum of 15 years experience training in the dojo. Each class has two instructors on the mat.
